Introduction

Purpose

The goal of this handbook is to support CMSA Member Clubs in preparation for and throughout the registration process, as well as guide parents/caregivers when choosing a program for their youth athlete(s). This handbook includes important information such as the CMSA Program Calendar and League Structure, key messaging, and program goals across CMSA's programming to assist clubs in marketing and communicating the CMSA league offerings to parents and families. Remember:

- ☑ Individual player development is paramount
- ☑ The environment created by coaches and parents needs to be a stimulating learning environment, focused on development and fun
- ☑ CMSA advocates for equal playing time for all players and for them to try all positions

Language and Terminology

Language determines the culture we operate in, and if we want to develop an accessible and inclusive sport culture in Calgary, an emphasis on using appropriate language is key. We all play a role in promoting a consistent message to participants and families about the benefits of each competition model.

CMSA leagues and programming operate in a grassroots sporting environment, and there are no elite players or teams. Elite players are found on youth national teams and full-time professional programs. We currently do not operate in any of those environments or programs. Member Clubs should avoid using words such as elite, premier, select, etc. in communications and program marketing.

Team Entry

Teams are entered at the CMSA Team Entry Deadline. Member Clubs review tiering with CMSA before the group format schedules are produced. There will be an opportunity in May to facilitate team swaps between divisions should teams be misplaced. These details will be provided directly to the Member Clubs.

Overview of Key League Changes

- ✓ Retreat Line addition for U7-U9
- ✓ Open Rosters U7-U12
- ✓ Pass-In Addition for U10/11
- ✓ Provincial qualification will occur through League Standings and Challenge Cup
 - Tier I – III – League Winner + Challenge Cup Winner (if this team is the same, League Runner Up will qualify for Provincials)
 - Tier IV – League Winner + League Runner Up
- ✓ Challenge Cup – U13+ All Tiers
 - Top 4 teams in the League will participate in the Challenge Cup
 - If a team opt-outs of Provincials, they opt-out of Challenge Cup
 - Out-of-District teams are NOT eligible for Challenge Cup

Annual Member Affiliation

As outlined in the CMSA Governance Policy and Procedures, all CMSA members, voting and non-voting, must undergo an annual affiliation and audit to confirm their participation in CMSA for the upcoming year and remain a Member Club in Good Standing with CMSA. Member's who do not submit their Annual Audit & Affiliation, on the prescribed forms, prior to August 31st risk their standing with CMSA and/or their membership benefits as outlined in the CMSA Governance Policy and Procedures.

Shane Homes Grassroots League

U7 – U9

Goals of the Shane Homes Grassroots League

CMSA's Grassroots League, sponsored by Shane Homes, is modelled after national and international best practices and [Calgary Minor Soccer Association League Standards](#) with a developmentally appropriate playing environment that allows expression, creativity, and development to flourish. Match Day provides players with more time on the field, more time on the ball, and flexible matchups through an open roster system.

This league encourages mixed-ability (balanced) groupings prioritizing social relationships as the basis of Match Day groups. This allows players to move between groups as required to ensure that each participant has a positive and developmentally appropriate match environment. The Shane Homes Grassroots League prioritizes enjoyment, so players want to come back next week and more importantly, for many seasons to come!

Meaningful Matches

Ensuring all players have a positive experience in soccer

Consistent Match Days & Times

Allows families to plan their schedules in advance

Centralized Locations

Quadrant-based play to limit travel time for families

Child-first Approach

Encouraging activity, supporting the individual players development

Program Terminology

When speaking to parents and other stakeholders, and in promoting your club's grassroots programming, CMSA recommends using words such as accessible, family-friendly, fun, safe, developmentally appropriate, and best-practice or research-based. CMSA's U10 and U11 League

About the Developmental Plus+ and Developmental Programming

CMSA's **U10 and U11 League** has a 'Developmental Plus+' and 'Developmental' stream. Both streams offer a quality experience for players and their families. *Neither stream is purely based on ability, but on the needs, interests, and motivations of the child. The determining factors in evaluating whether to place groups in the "Developmental Plus+" or "Developmental" streams are the length of the season and the proximity of their matches. "Developmental Plus+" will play in a city-wide division and have a longer, split season. "Developmental" will have regionalized play with a shorter season.*

In this player-first model, clubs are encouraged to evaluate players based on their levels of interest and commitment in soccer and utilize social relationships (friendships) as a key factor in forming teams.

CMSA advocates for equal playing time for all players and to try all positions on the pitch. No scores or standings are kept in the Developmental Plus+ or Developmental stream.

Development Plus+ Stream

This stream is appropriate for players and families interested in:

Soccer as their primary activity

For players who LOVE soccer, are very interested & likely to participate year-round

Longer Season, City-Wide

For players looking for a longer season and are comfortable with city-wide play

More activity each week

For players looking for increased play/training opportunities within their club environment

Development Stream

This stream is appropriate for players and families interested in:

A variety of sports or activities

For players who may be multi-sport, have a variety of different interests/commitments, looking for 'part-time soccer'

Shorter Season, Quadrant-based

For players looking for a shorter season and want games closer to home

Less activity each week

For players looking for less soccer activity to make time for other interests/family time

CMSA's U12 and U13 League

Goals of the U12 and U13 League

CMSA's league offering for the **U12 and U13 League** aims to have quality programming for youth at all ages, stages of development, and interest/commitment levels. CMSA welcomes experienced and novice players into any of our clubs to continue or begin their soccer journey. Our U12 and U13 leagues operate in alignment with [Long-Term Player Development \(LTPD\) Standards](#) and would be a part of Stage 3 – Learn to Train (U12) and Stage 7 – Soccer for Life (U13 – Community and Competitive).

CMSA advocates for equitable playing time for all players regardless of Tier in these ages. A balance of skill level and commitment should be considered when tiering players. CMSA recommends the following considerations to ensure that players and families are placed in the appropriate program:

Tier I and Tier II Considerations

More developed players

For players who are more developed and experienced in the game of soccer

Year-round soccer participation

For players who are more likely to play year-round and/or have soccer as their primary activity

For families committed to 3 or more soccer activities each week (training and a match)

Tier III and Tier IV Considerations

More entry-level players

For recreational players and/or players who are entering the sport for the first time

Seasonal or multi-sport athletes

For multi-sport athletes interested in seasonal participation or a variety of activities

Decreased weekly commitment*

For families committed to less than 3 soccer activities each week (training and a match)
